

Robot Practice Field **\$10,000** **available**

With your support, teams will have an area to practice and tweak their programs and robot performance. This sponsorship will provide the construction and assembly of the *Practice Field* and its associated control panels. In addition to the benefits received at the *Practice Field* - signage, product display opportunities and excellent visibility- you would receive *Captain of Innovation* benefits.

Programmers Room **\$10,000** **available**

We will be one of the few Regionals in the nation to offer a quiet, comfortable room for team programmers to check, modify and test their code throughout the Competition. In addition to the benefits received from the *Programmers Room* - signage, product display opportunities and excellent visibility- you would receive *Captain of Innovation* benefits.

Judges Hospitality Suite/Dinner **\$10,000** **available**

Sponsor the *Judges Suite* by providing meals and refreshments to a nationally-esteemed Judges panel as they deliberate over many of the Award categories, as well as the games. You will also host the official *Judge's Dinner* at an area restaurant during the event. In addition to being the official *Judge Suite Sponsor*, you will be listed as a *Captain of Innovation* and receive all the benefits

Competition Internet Kiosk **\$10,000** **available**

The Internet Kiosk will enable all participants to check e-mails and search the web for information, throughout the Event. Signage acknowledging your sponsorship will be prominent and the value this service will be appreciated all. You will be the official host and listed as *Captain of Innovation* and receive the related benefits.

Competition Webcasting **\$10,000** **available**

This webcast will enable schools, families and friend all over the US (and the world) to watch the games as they are played, in real time. Daily game schedules would be posted each day and regional Website will also provide this up to date information. You will be the official host and listed as *Captain of Innovation* and receive the related benefits.

Friends of Future Engineers **\$10,000** **available**

Join other community sponsors who support the Sacramento Regional by directing your contribution into a fund for grants to rookie and teams in financial need. You will receive *Captain of Innovation* benefits and participate in the Regional activities.

School Field Trip Fund **\$10,000** **available**

Fund field trips for 5 schools to attend the Competition Event. Grants of \$1,000 will be offered towards bus and lunch expenses, for regional five schools which are not yet involved in

FIRST. Each school will be able to bring 20 students and two teachers to both of the Competition days. You will be recognized as a *Captain of Innovation* and receive the related benefits.

2006 KICK-OFF Event

\$10,000

available

Become the sponsors for next year's KICK-OFF Event. This would include a relay of the web broadcast from the Regional Site, provision of coffee, juice and donuts for all attendees and Tee-shirts and CD's of the Game Details for all Sacramento-UC Davis Regional Teams. You will be the official host and listed as *Captain of Innovation* and receive the related benefits.

For further information regarding any aspect of sponsorship of the Sacramento-UC Davis Regional, please find contact one of us at:
